

THE XIX COURANT LECTURE

Lawrence C. Evans

University of California, Berkeley

will speak on

“Some PDE methods for weak KAM theory”

“Introduction and heuristics”

Tuesday, 26 March 2002 at 3:00 p.m.

Room 1302, Warren Weaver Hall

(Reception to follow in the Grumman Lounge, 13th Floor)

“Estimates and applications”

Wednesday, 27 March 2002 at 2:00 p.m.

Room 1302, Warren Weaver Hall

Courant Institute of Mathematical Sciences

New York University

251 Mercer Street

New York, New York 10012
